WHO/WHAT is MARCA?

MARCA is a 501c3 nonprofit corporation dedicated to furthering Amateur Radio operations in the local area.

We maintain several open voice repeaters (6m to 900 MHz) shown on the attached list.

We have installed and maintain several APRS repeaters shown on the map and on the attached list.

We have inherited the ownership and maintenance of several packet nodes and the backbone between White Tanks Mountain to/from Pinal Peak.

We are active Field Day participants and have scored at the top of our category every year.

We meet monthly on the third Tues at 18:00 hrs (location to be published on Yahoo Group and by email) .

Please take and fill out a MARCA membership application and come join us.
